DIBELS® Phoneme Segmentation Fluency

Directions

Make sure you have reviewed the directions in the *DIBELS Assessment Manual* and have them available. Say these specific directions to the student:

- **We are going to say the sounds in words. Listen to me say all the sounds in the word “fan.” /f/ /a/ /n/. Listen to another word, (pause) “jump.” /j/ /u/ /m/ /p/. Your turn. Say all the sounds in “soap.”**

Correct response /s/ /oa/ /p/	Very good saying all the sounds in “soap.”	► (Begin testing.)						
Incorrect response anything other than /s/ /oa/ /p/	<i>I said “soap,” so you say /s/ /oa/ /p/. Your turn. Say all the sounds in “soap.”</i>	<table border="1"><tr><td>Correct response</td><td>Good.</td><td>► (Begin testing.)</td></tr><tr><td>Incorrect response</td><td>Okay.</td><td>► (Begin testing.)</td></tr></table>	Correct response	Good.	► (Begin testing.)	Incorrect response	Okay.	► (Begin testing.)
Correct response	Good.	► (Begin testing.)						
Incorrect response	Okay.	► (Begin testing.)						

- Begin testing. **I am going to say more words. I will say the word, and you say all the sounds in the word.** (Say the first word from the list in the scoring booklet.)

Timing	1 minute. Start your stopwatch after saying the first test item.
Wait	If the student does not respond within 3 seconds, say the next word.
Discontinue	If no sound segments are correct in the first five words, discontinue and record a score of 0.
Reminders	If the student spells the word, say Say the sounds in the word. Immediately say the next word. (Allowed one time.) If the student repeats the word, say Remember to say all the sounds in the word. Immediately say the next word. (Allowed one time.)

Notes:

Total: _____

PSF Response Patterns:

- Repeats word
- Makes random errors
- Says initial sound only
- Says onset rime
- Does not segment blends
- Adds sounds
- Makes consistent errors on specific sound(s)
- Other
